

The Passenger

[Iggy Pop](#)

I am a passenger
And I ride, and I ride
I ride through the city's backsides
I see the stars come out of the sky
Yeah, they're bright in a hollow sky
You know it looks so good tonight

I am the passenger
I stay under glass
I look through my window so bright
I see the stars come out tonight
I see the bright and hollow sky
Over the city's ripped back sky
And everything looks good tonight

Singin' la la la la la la la la
La la la la la la la la
La la la la la la la la, la la

Get into the car
We'll be the passenger
We'll ride through the city tonight
See the city's ripped backsides
We'll see the bright and hollow sky
We'll see the stars that shine so bright
Oh, stars made for us tonight

Oh, the passenger
How, how he rides
Oh, the passenger
He rides and he rides
He looks...
